PEUGEOT 2008 FACELIFT

LIONS OF OUR TIME.

For 210 years, PEUGEOT has unfailingly upheld a French manufacturing tradition of quality and inventiveness. Today, PEUGEOT is more focused than ever on designing sleekly styled vehicles affording drivers a sensory experience that goes beyond driving by heightening all the senses.

PEUGEOT is a brand in tune with the times. With even a step ahead of its time, it keeps abreast of innovation, anticipates changes in behaviour and paves the way for new mobility solutions.

BETTER DRIVE, COMFORTABLE RIDE.

The PEUGEOT 2008 features a powerful and efficient 1.2L PureTech Turbo engine paired with a 6-speed automatic transmission. The result is a smoother and more responsive drive that makes every journey an enjoyable one.

AN IMPOSING PRESENCE.

Imposing and distinctive, the front of the PEUGEOT 2008 features a recessed windscreen highlighting its lean and athletic shape. Its wide black grille with chrome-plated trim and its ECO LED headlights with 3-claw design surrounded by a thin strip of daytime running lights, emphasise the modernity of its feline look.

DISTINCTIVE BY DESIGN.

From its sculpted silhouette to its striking rear lighting signature, the PEUGEOT 2008 makes an impression from every angle. A confident expression of style, down to the finest detail.

THE SPACE YOU NEED.

The interior space has been maximised to offer greater comfort and more space for all your passengers, not forgetting the various storage compartments positioned strategically in the passenger compartment. With a low sill and wide opening, the boot space combines with the rear split-folding bench seat to offer you a large transport volume, allowing you to load and unload items quickly and easily.

THE NEW PEUGEOT 3D i-COCKPIT®.

Enrich your experience of interactivity at the wheel with the new PEUGEOT 3D i-Cockpit® driving position with its intuitive ergonomics, compact steering wheel, configurable 10" 3D digital dash, and 7" HD infotainment touch screen with voice command. The 3D digital dash displays all the information needed for driving as well as from the driving assistance systems, all within the driver's field of vision.

IMPROVED RESPONSIVENESS, BETTER EXPERIENCE.

The drive has never been more enjoyable. With the Drive Mode Selection Switch that toggles between Sport, Comfort and Eco, the PEUGEOT 2008 lets you choose how you want to drive based on your preferences. While you're at it, enjoy your favorite music or navigate to your destination with Apple CarPlay® & Android Auto™ connectivity.

PEUGEOT 2008 TECHNICAL SPECIFICATIONS

• equipped - not available

VARIANT	Allure
Engine Type	1.2L PureTech, Turbo
POWERTRAIN	
Type	3 Inline Cylinders, DOHC, 12 Valve, Dual VVT
Displacement	1,199
Maximum Power (Hp / RPM)	130 / 5,500
Maximum Torque (Nm / RPM)	230 / 1,750
Compression Ratio	10.5 : 1
Drivetrain	2WD
Transmission	6-Speed Automatic (AT6 III)
Fuel Type	Petrol
Recommended Fuel	Min. RON95
Fuel System	Direct Injection
Fuel Tank Capacity (L)	44
CHASSIS	
Steering Type	Electric Power Steering
Parking Brake	Electronic Parking Brake
Suspension Type (Front / Rear)	MacPherson Struts / Torsion Beam
Brake Type (Front / Rear)	Ventilated Discs / Solid Discs
Wheel Type	Alloy
Wheel Size	17"
Tyre Size	215 / 60 R17
DIMENSIONS	
Overall Length x Width x Height (mm)	4,300 x 1,770 x 1,550
Wheelbase (mm)	2,605
