

NEW PEUGEOT 2008

LIONS OF OUR TIME.

For 210 years, PEUGEOT has unfailingly upheld a French manufacturing tradition of quality and inventiveness. Today, PEUGEOT is more focused than ever on designing sleekly styled vehicles affording drivers a sensory experience that goes beyond driving by heightening all the senses.

PEUGEOT is a brand in tune with the times. With even a step ahead of its time, it keeps abreast of innovation, anticipates changes in behaviour and paves the way for new mobility solutions.

AN IMPOSING PRESENCE.

Imposing and distinctive, the front of the all-new PEUGEOT 2008 features a recessed windscreen highlighting its lean and athletic shape. Its wide black grille with chrome-plated trim and its Full LED headlights with 3-claw design surrounded by a thin strip of daytime running lights, emphasise the modernity of its feline look.

GETTING NOTICED.

Get the attention you deserve in style. The rear of the all-new PEUGEOT 2008 with its glossy black cross strip is enhanced by a spoiler and chrome-finished double exhaust tailpipe, which accentuates the sportiness and class of the vehicle. The signature 3-claw LED tail lights illuminate all day to boost visibility of the vehicle and its strong presence on the road.

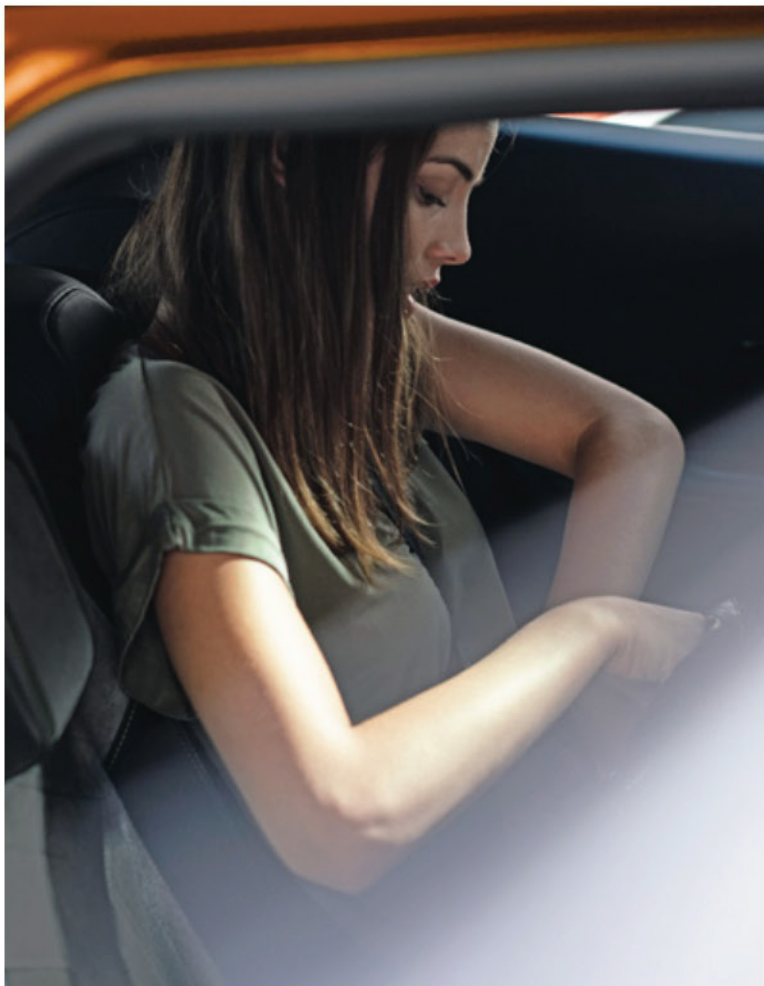

THE NEW PEUGEOT 3D i-COCKPIT®.

Enrich your experience of interactivity at the wheel with the new PEUGEOT 3D i-Cockpit® driving position with its intuitive ergonomics, compact steering wheel, configurable 10" 3D digital dash, and 7" HD infotainment touch screen with voice command. The 3D digital dash displays all the information needed for driving as well as from the driving assistance systems, all within the driver's field of vision.

IMPROVED RESPONSIVENESS, BETTER EXPERIENCE.

The drive has never been more enjoyable. With the Drive Mode Selection Switch that toggles between Sport, Comfort and Eco, the all-new PEUGEOT 2008 lets you choose how you want to drive based on your preferences. While you're at it, enjoy your favorite music or navigate to your destination with Apple CarPlay® & Android Auto™ connectivity.

THE SPACE YOU NEED.

The interior space has been maximised to offer greater comfort and more space for all your passengers, not forgetting the various storage compartments positioned strategically in the passenger compartment. With a low sill and wide opening, the boot space combines with the rear split-folding bench seat to offer you a large transport volume, allowing you to load and unload items quickly and easily.

BETTER DRIVE, COMFORTABLE RIDE.

The all-new PEUGEOT 2008 features a powerful and efficient 1.2L PureTech Turbo engine paired with a 6-speed automatic transmission. The result is a smoother and more responsive drive that make every journey an enjoyable one.

SAFETY.

Comfort and safety in the all-new PEUGEOT 2008 are enhanced further with the numerous latest-generation driving assistance systems such as High Beam Assist, Blind Spot Monitoring, Active Lane Keeping Assist, Active Safety Brake, and Driver Attention Warning.

High Beam Assist

Blind Spot Monitoring

Active Lane Keeping Assist

Active Safety Brake

Driver Attention Warning
